

**Yes Judge Judy called me.** Apparently they have people that watch court filings and saw the nonsense she was claiming. I received a call from Judge Judy (Her manager) and then received the following paper in the mail. See the next page. They asked me to explain what was happening. Afterwards they told me they would love to have me on the show. I told them I would love to do it and if they got Roberta to do it I would be in California whenever they wanted.

Well...Roberta did not want to do it and claimed I had been harassing her with the Judge Judy show. Amazing they call me and she puts it in a filing that I was harassing her...

**He is so shameless I even got a letter from the " Judge Judy " show that he contacted , inviting me with all expenses paid including his claim in case he was to win his frivolous lawsuit, including trip and witnesses all included to go with my very own stalker. Incredible!**

Amazing call the producer and see who contacted who!

Dear Kevin,

I am a producer for the nationally syndicated, top rated court television program "**Judge Judy.**" On "**Judge Judy,**" small claims cases from all over the nation are arbitrated, and the decisions rendered are final and legally binding. Our field researchers have selected and brought to my attention the small claims case that you have filed in the **Tavares** small claims court against **Roberta Seymour.**

As you probably know, even if you win your case in the small claims court, the court cannot guarantee that you will collect your money in a timely fashion, if ever. **If, however, you choose to arbitrate your case on "Judge Judy" and win, we guarantee that you will receive the money awarded to you by the arbitrator within thirty days. In addition, if you choose to arbitrate your case on "Judge Judy," we will guarantee you an appearance fee for appearing on the program, and we will pay the travel expenses for you and any necessary witnesses to travel to Los Angeles.**
