To Whom It MAY Concern:

This letter is in reference to Kevin Milcheck. I have know Kevin for almost two years and he has been my friend and my neighbor. We established a friendship and have spent a lot of time together. We have had many dinners together, walked my dog together, attended parties together and he has always been a dear friend to me that I have valued. Kevin and I spent many times together and he did ask me out after almost a year. I explained to him that I was recovering from a bad relationship and wasn't ready for a serious commentment. Kevin totally respected my wishes and we continued our friendship. He never once made advances toward me and I have utmost respect for him. Kevin never pressured me nor was he disrespectful to me in any way. He is an intelligent, caring and sensitive person with high moral values.

I have a Bacelor of Science Degree in Elementary Education, a Master's Degree in Guidance Counseling and a Master's Degree in Mental Health Counseling. I am currently a guidance counselor at an elementary school. I have been trained and educated to assess and diagnosis individuals with mental health issues. I do not have my licensure as of yet but have all the training and degrees. With this being said and my personal experience with this individual, I have no hesitation giving my testomony that Kevin Milcheck is an upstanding individual that has no interest nor a need in pursuing someone in this manner.

Please feel free to call me at any time with any concerns, questions or other matters dealing with Kevin Milcheck's character.
